

Eine neues Haus bzw. eine neue Wohnung zu beziehen, heißt in der Regel auch, dass neue Möbel benötigt werden und vorhandenes Mobiliar ganz anders wie zuvor gestellt wird.

Mit unseren Möbel-Vorlagen können Sie einfach Ihre Wunsch-Möbel ausdrucken, nach Ihren Vorstellungen kolorieren und Ihr zukünftiges Zuhause so lange einrichten, bis Ihnen das Ergebnis gefällt.

Unser Tipp: Wenn Sie den idealen Einrichtungsplan erstellt haben, kleben sie die Möbel fest in den 2D Grundriss. Kurz vor dem Umzug kopieren Sie den Grundriss und hängen ihn in jeden Raum Ihres Hauses/Ihrer Wohnung. So weiß die Umzugsfirma, wie die Möbel gestellt werden sollen.

Maßstab: Die Möbel-Vorlagen sind für einen 2D Grundriss im Maßstab 1:100 gedacht. Das bedeutet: 1 cm im Grundriss entspricht 1 m in Ihrem Haus/Ihrer Wohnung.

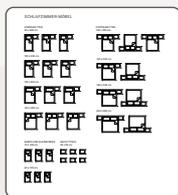

SO GEHT'S

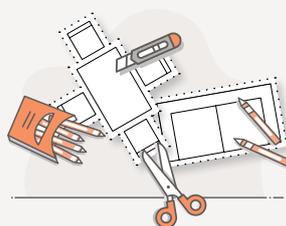

SCHRITT 1

Drucken Sie Ihren Grundriss aus.

SCHRITT 2

Drucken Sie die gewünschte/n Möbel-Vorlage/n auf A4-Papier aus.

SCHRITT 3

Schneiden Sie die Vorlagen mit der Schere oder einem Cutter an der gestrichelten Linie aus. Kolorieren Sie Ihre Möbel ganz nach Ihren Vorstellungen.

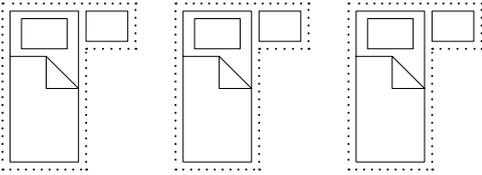

SCHRITT 4

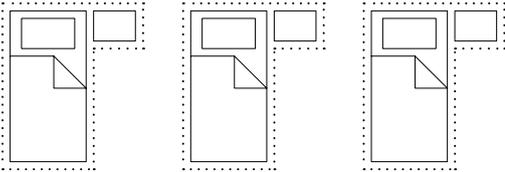

Nun können Sie die Einrichtung auf Ihrem 2D Grundriss platzieren und die Räume nach Ihren Wünschen gestalten.
